## FRESH PASTA

Classic Foods is proud to offer Oregon's most extensive selection of fresh pasta, handmade in small batches using General Mills semolina and durum wheat flour, pasteurized fresh cage free eggs from Stiebrs Farms and filtered water. To insure the highest quality product we have travelled to Italy to buy machinery direct from the manufacturer, Capitani of Lomazzo in Lombardia, and to learn traditional Italian pasta-making techniques. As with traditional homemade Italian pasta fresca, Classic Foods sheeted pasta is never heated during processing, resulting in superior quality.

Our **string noodles** are made by laminating kneaded dough into sheets before cutting to order into fettuccine, linguine, spaghetti, angel hair, pappardelle and sheets for making lasagne or ravioli. The thickness can vary depending on your preferences.

All fresh-cut pasta is available in small quantities in our standard flavors: Egg, Spinach and Black Pepper
